WE'RE LEADING COMPANY FOR CONCRETE CUTTING

We are one of the best Diamond Contracting Company in Dubai, UAE's. We provide Core Cutting, Wall Saw Cutting, opening for Door in RCC, Cutting in structural core wall, Concrete Cutting, Slab Cutting, Controlled Demolition, Concrete Scanning services.

Company has vast experience in providing expert Concrete Cutting, Diamond Core Drilling Services in the Construction Industry. Pristine Technical Services are committed to the highest safety standard. Our dedication to Safety and Staff Training has been recognised by the Construction Industry.

Our team receives monthly training on new equipment as well as refresher training on all equipment.

A Well Trained Team

- When we invest in a new piece of equipment, our vendors come in and show us how to use it.
- Training provides an opportunity for our technicians to be there learning one-on-one and as a team.
- The fact is, excellence in cutting concrete is learned on the job. The best way to learn this work is by doing it, not simply watching.
- We do everything we possibly can to build a healthy, happy, eager-to-work crew. Whether it is buying equipment they request and need, providing hands-on training, or granting time off when they need it...we put our people first.

Vision

Our Vision is to be an innovative service provider of heavy construction industry through quality of efficient work, committed employees, and outstanding work ethic.
